

APPENDIX B

INTERPRETATIONS OF CHURCH LAW

6800. This section contains the official interpretations of *The Discipline* by the Board of General Superintendents which have been sustained by the General Conference and are therefore in full force and effect as church law (1920:26). Each interpretation is identified by the paragraph number of *The Discipline* to which it refers.

Whenever a revision of *The Discipline* makes an interpretation unnecessary or renders it obsolete, the interpretation is to be deleted from *The Discipline* by order of the General Conference (Minutes of the 1976 General Conference, proceeding 276).

Trafficking

6805. 265:4. The General Superintendents on November 7, 1983, officially interpreted subparagraph 265:4 and the General Conference on June 20, 1984, sustained the interpretation (GC-1984-175), thereby authorizing this provision to mean:

“Trafficking,” as used with reference to alcoholic beverages in 265:4, means “production, sale or purchase.” “Production” means “activity which is a part of the manufacturing or primary distribution process.” “Sale” means “giving up property to another for money or other valuable consideration.”
